The City Heights Maintenance Assessment District (District) was established as a self-managed District in Fiscal Year 2005 to fund streetscapes, signage, banners, beautification, sidewalk and landscape maintenance, security related services, street lighting and administration. The District is located along both sides of University Avenue generally beginning at Interstate 805 on the west end and ending at 50th Street on the east end. The weighted majority property owners selected the City Heights Business Association to administer the District.

The City Council approved the City Heights MAD Annual Fiscal Year 2005 Budget on July 27, 2004. Approval of the Agreement with City heights Business Association and the City of San Diego for the provision of administrative services is pending City Council approval scheduled for early calendar year 2005.
